Fall 2009

Dear Adjunct or Part-time Faculty Member:

Welcome to your position as an adjunct or part-time faculty member at an institution which is part of the Greater Cincinnati Consortium of Colleges and Universities (GCCCU). GCCCU is a collaborative effort of the fifteen colleges and universities in the Greater Cincinnati region, and provides such opportunities as faculty development workshops, joint publications, a cross registration program for students, and other professional development opportunities.

GCCCU, and most of our member colleges and universities, are unable to provide medical care benefits to adjunct faculty. Because finding a reliable agent and a reputable policy provider is sometimes difficult for individuals who are not members of a group medical insurance plan; GCCCU has made arrangements with a local insurance provider to assist you with individual health care coverage.

Melissa Lusby, at CAI Insurance, has agreed to assist any GCCCU adjunct or part-time faculty member with obtaining coverage. Ms. Lusby or her individual insurance specialist, Blake Coors, will respond to any questions you may have regarding such insurance. Feel free to contact Mr. Coors by phone at 513-221-1140 or via e-mail at BCoors@CAI-Insurance.com should you be interested in obtaining coverage or if you have any questions.

We wish you well in your teaching endeavors, and hope this information is helpful to you.

Sincerely,
